**FEE DESCRIPTIONS**

Registration and Building Usage Fees: \$50 registration and \$50 building usage, totaling \$100, are **NONREFUNDABLE** and are due at the time of registration. Registration fees are used to cover administrative costs, supplies, etc. Building usage fees are used to help offset the heating and air conditioning, wear and tear, and maintenance costs of the Cornerstone facility. These may be combined to total \$100 and should be made payable to HCA.

Volunteer Service Check: HCA is a cooperative tutorial and is not able to run well without active participation from our families. Service work through the school year will be required. Depending on the number of families enrolled, each family may be required to work 1 day onsite at HCA. The Volunteer Service Check collected at registration will be returned or destroyed when the service obligation is fulfilled or will be used to compensate a substitute should a family not be able to meet that requirement. Each family is able to choose a service day once their registration packet is turned in in its entirety. Please remember to keep the **date and payee blank** for your service check.

All tuition and fees are to be made at registration or mailed to be received no later than June 14th. Your child is not registered until full payment is made and all documents are returned. HCA instructors have committed to teach your children during the school year and as a result, instructor’s checks are non-refundable for any reason after July 12<sup>th</sup>. Service day payments are non-refundable after July 12<sup>th</sup>.

By signing this document, I attest that I am aware and understand all costs and fees associated with my child(ren) attending HCA.
